Transition Into MK

Tips to help your child adjust:

Talk to Your Child About Going to Kindergarten

- ~风筝图标~ Inform your child that he/she is going to kindergarten
- ~风筝图标~ Show him/her pictures/videos of the kindergarten
- ~风筝图标~ Read books about going to school
- ~风筝图标~ Assure your child that kindergarten is a good and fun place
- ~风筝图标~ Tell your child that he/she will make new friends

Develop Consistent Routines

- ~风筝图标~ Develop a daily activity schedule including a consistent morning and bedtime routine. This ensures that your child develops a regular sleep pattern and has sufficient rest.

Transition Into MK: Tips For Parents

Punctuality

- ❖ Ensure that your child is punctual and regular in attending kindergarten

Preparing Your Child for School

- ❖ Spend some time with your child in the morning to help him/her feel settled for the day
- ❖ Pack his/her clothes, school bag and water bottle together

Working with Your Child's Teacher/Centre Head

- ❖ Share with the teacher or Centre Head your child's habits (eating, playing, toileting)
- ❖ Discuss any concerns/suggestions related to your child or the kindergarten with the teacher or Centre Head
- ❖ Never use the kindergarten or teachers as a threat or means to change your child's behaviour

Bidding Your Child Goodbye

- ❖ Bid your child goodbye when you leave the kindergarten and say when you will be back to pick him/her.

During this period of adjustment, it is natural for your child to display signs of anxiety or physical discomfort. Should you observe such signs, you can work with your child's teacher to help support your child. Parents can help to display a positive attitude as children also pick up on your anxieties.
